Vision Statement

'A school at the heart of the community. Community at the heart of the school'

Mission Statement

St Joseph's Primary School we aim to provide a safe, caring, happy and stimulating environment for each and every one of the children in our care. We set very high yet realistic expectations for all our pupils and we encourage them to work hard and achieve their full potential.

Our parents are key partners in laying the foundations for future learning in our school. As a Catholic school the Board of Governors and Staff are firmly committed to promoting the spiritual, moral, academic, social, physical, and aesthetic development of all our children.

School Aims We aim to:

develop and strengthen each pupil's understanding and love of Catholic values by promoting the Catholic ethos throughout the school;

create a safe, enjoyable learning environment, in which effective learning is facilitated and quality teaching is provided;

implement all aspects of the Northern Ireland Curriculum;

help our pupils to develop a positive attitude towards life and a love of learning;

value, respect and nurture every child in our care;

encourage pupils to respect themselves and others and to support and care for one another;

equip our children with the necessary life skills to enable them to participate in a fast changing society; and

involve the parents, Board of Governors and wider community in the life of the school and in the development of the children in our care.

Here at St Joseph's Primary School, we take complaints very seriously. We have the best interests of all our pupils and their families at the centre of all we do. In this regard, we encourage anyone with a concern to speak to us as soon as possible. If concerns are dealt with at an early stage, then they are more likely to be resolved and there is no unnecessary dissatisfaction.

Many issues can be addressed simply by talking to the relevant staff in school who will be happy to help. Open communication and regular engagement between the school staff and the wide range of users is vital to the effective management of the school.

We welcome open communication with our staff

Arrangements to meet with staff.
